
Cedarkirk Camp

Last week, three of our youth attended the Challenge to Change camp at Cedarkirk. While they did enjoy lots of time enjoying camp activities and bonding with friends from other churches, the main focus

of the week was participating in various projects with Beth-el Farm Worker Ministries. Beth-el has many services that cater to farm workers in our area. They have a church, a school, medical services, and a large food bank as well as other facilities and services available for this marginalized population. Our youth worked diligently to meet needs in various areas, and even got to visit a farm to hand out lunch and supplies. While the kids didn't speak much Spanish and the workers didn't speak much English, the love was still felt just the same!

CHURCH NEWS

GUEST MUSICIAN – Grayce Waterson Hillman is a Native of Dunedin and a graduate of Stenson University. She has served as a soloist, choir director, pianist, and an organist in a number of churches in the area. She started to play the church organ at the age of 15 and hasn't looked back. She also gives private piano lessons at home. She always enjoys playing for us, and we are blessed by having Grayce with us today!

THE DOSECK FAMILY would like to thank pastor Ginny for the great memorial service for Connie. We would also like to thank: the deacons and kitchen help for preparing and serving the meals; all of Connie's friends that sent cards; and all the folks that gave donations to the Hope Youth Organization. Connie would be proud of all of you that participated in this great religious ceremony. Thanks, all of you, from Fred, Natalie, Conner and Sydney.

Cedarkirk Camp cont.

After 20 minutes on the farm out in the sun, the kids began to really understand what these farm workers endure on a daily basis and why they need our help. They also learned about farm worker wages and about their typical lifestyles. They participated in many devotions where they learned why God calls us to show His love to others, and how they can do that at Beth-el, with their manna bags, and even in their daily lives at home and at school. It was a great trip for all, and the students (as well as Beth and Amy) are eager to keep the Mission momentum going!
