

Hope Day Camp

How to Register Online

1. Go to our website (<http://cedarkirk.org/summer/>). Click on the Register Online link on the right to access the online registration system. When you get to the LOGIN screen, click on the button that says, "Create New Account." If you have used our registration system before, please enter your Username and Password and click "LOGIN".
2. The first screen is where you set up your username and password. The name and email address are yours, not the person you are registering. Keep the username and password in a secure place and use it whenever you wish to return to update information, register for other sessions or make a payment.
3. When you click "next" you will be asked for the name of the person you are registering. Please enter all information as requested.
4. After selecting/adding your camper, click on "Add New Program" to advance to the Group Hold Registration Screen.
5. The "Group Hold ID" screen will ask for a "GHR ID". Enter **HOPE CLWTR 2019**.
6. The search will produce the TDC camp specific to your church. To add your camper to the program, check the box next to the program and click the "Save/Next" button at the bottom of the screen.
7. When you have entered all the registrations and completed the TDC Camper Health and Information, click the Dashboard.
8. If you are registering more than one person you will complete the registration for the first person and then click on "Add Camper".
